A pair of hands is shown holding a large, clear crystal ball. Inside the crystal ball, a detailed miniature house is visible, featuring a brown roof, white trim, and a small porch. The background is a soft-focus outdoor scene with green trees and a blue sky. The text "There's No Place Like Home" is overlaid in white, bold font across the center of the crystal ball.

Your Home can be much more than simply a collection of rooms.

The trend today is to think outside the walls – to expand the boundaries of your personal environment to encompass patios and decks, gardens and fire pits, play areas and open-air porches. Taking full advantage of your property's outdoor spaces can be a challenge... but CertainTeed is here to help.

Our Living Spaces® collection of exterior products includes everything you need for a well-coordinated design that blends authentic styles and textures, sustainable products and the broadest color selection on the market. And CertainTeed products are engineered to stay beautiful season after season with minimal maintenance. Because after all, the point of creating wonderful outdoor living spaces is to experience the joy of time well spent with family and friends, surrounded by the comfort of your home and the beauty of nature.
